Hear Us Now!, the Original Denver Metro Tea Party Group, Endorses Dan Maes for Governor of Colorado

DENVER – Hear Us Now! is delighted to announce our unanimous decision to endorse “The Peoples Candidate,” Mr. Dan Maes, to become the next Governor of the great State of Colorado.

In making its endorsement, Hear Us Now! considered Mr. Maes’s commitment to upholding the United States Constitution and the Constitution of the State of Colorado.

In addition, Hear Us Now! appreciates Mr. Maes’s expressed commitment to protect the sanctity of life at all phases, cut taxes and spending, reduce or remove restrictive regulations on businesses, and to stand for our founding principles to preserve our God given rights – the only legitimate purpose for the existence of Government.

Since Mr. Maes announced his gubernatorial candidacy, the members of Hear Us Now! have watched and examined him to discover his character. Of all the candidates for Governor, he has been consistent in his support of Tea Party and 9-12 rallies. When he has said he will show up to an event, forum, or town-hall meeting, he has kept his word.

Hear Us Now! is the official organizer of this year’s April 15th Tax Day Tea Party on the west-facing steps of the Colorado State Capital Building. Hear Us Now! extends our invitation to Mr. Maes to address this gathering of Colorado citizens seeking future executive leadership for our State.
